

# SOCCER

**Begins:**  
**MID-SEPT**

## **New Leagues Forming!** **For Young Players, Ages 4-8**

- In house, inside league (minimal travel, maximum fun and learning)
- Start young, learn from the best, and get all the benefits of sports.

The Lakers Soccer Club is forming a new league, believing that young kids can benefit from teamwork and proper instruction.

- **Great skills in coordination and team play**
- **Great exercise and focus**
- **Learn teamwork, determination, and discipline all while having FUN!**

Parents are an important part of our league. Please be ready to accompany your child(ren) to the practices, encourage practice at home and follow through on the skills learned. Coaches are well trained and experienced. They can teach the skills that will last a lifetime – both ON and OFF the field.
